MARTIN'S math club
Season 3

The SC Education Oversight Committee (EOC) is once again partnering with Coach Frank Martin, Head Coach of the University of South Carolina Men's Basketball Team, and the USC Athletics Department to announce Season 3 of

Martin's Math Club

This year, we have added brand-new, standards-based lessons which incorporate basketball AND math -- there are 27 lessons total! Each teacher who incorporates at least one of the available lessons into their teaching has the chance to win two tickets to a USC home basketball game and each student who receives a lesson will be eligible to win two tickets to a home basketball game. Winners will be recognized at each game and may have the chance to meet Coach Martin.
