

K-2 TEAM NEWSLETTER

September 11 2020

A NOTE FROM YOUR TEACHERS

Dear Learning Coaches,

You made it through another week and as always, thank you for being patient as we continue to work through tech and OLS issues.

Kindergarten and 2nd Grade Live Class Info: In an effort to ensure that your student has plenty of time during the week to adjust to working in the OLS, complete expected lessons, and to reduce class sizes, we are going to modify our class connect sessions for the next several weeks. This schedule will have your student meeting for 2 ELA and 2 Math class connect sessions each week.

1st grade live class info: please make sure to check your plans for scheduled class connect sessions and any changes made to them. We plan to have a regular Class Connect schedule (M-Th), however, the classes are subject to change in the near future as our grade level numbers continue to grow.

Have a great weekend!
Sincerely,
Your K-2 Team Teachers

WEEKLY REMINDERS

- Please make sure that you complete all assignments on your daily plan.
- Attending live classes is mandatory and counts toward your final grade.
- Music, Art, and PE are optional courses. If you have questions please email your advisor.
- Use Firefox web browser for optimum OLS access.

KINDERGARTEN FRIENDS

Please make sure to see the last page of the newsletter about the Kindergarten Readiness Assessment (KRA). This is ONLY for those in Kindergarten.

Mrs. Farior, Mrs. Rohrbaugh, Mrs. Mattox, Mrs. Green & Mrs. James will be giving these tests and will NOT be holding live Class Connects from October 1-12. Students will still complete work in the OLS as usual.

What is the KRA?

The KRA is a developmentally appropriate instrument that measures a child's school readiness across multiple domains. Understanding a child's school readiness helps kindergarten teachers best meet the child's needs, and it helps schools, families, communities and policy makers know how best to support young children as they enter the K-12 environment

The KRA determines each child's readiness level from an evaluation of four domains: Social Foundations, Language/Literacy, Mathematics, and Physical Well-Being. The KRA provides a snapshot of students' abilities at the beginning of the school year

Testing Dates:

- Between Oct. 1-12
- You should have received an e-mail with testing dates and locations as well as a link to a **Parent Survey** for you to fill out. Please complete the survey as soon as possible.
