I LOVE college football!!

CHARLESTON

I grew up in Greenville & moved here 11 years ago.

I LOVE HISTORY!

I love traveling and I work at the Charleston Museum in the summers.

All About Mrs. Rohrbaugh

I grew up in Virginia, just outside of Washington DC. I graduated from Radford University, which is in the mountains of Virginia. My family and I moved to South Carolina four years ago. This will be my 12th year teaching and my 4th year at CASC.

My Family
I live in Marietta SC with my husband, Karl and our 5-year-old daughter Harper and 1-year-old son Forrest

MRS. CARRIE ROHRBAUGH

Kindergarten ELA Teacher

We love spending time together doing different things like hiking, canoeing, swimming and going on trips. We also enjoy reading and cooking.

What will we learn in Math this year?

NUMBER SENSE

We will focus on counting and writing numbers. Students will learn to organize and separate objects and build numbers into sets of ten.

THINKING & OPERATIONS

We will begin to make sense of quantities and patterns and use written numbers to represent concepts. By the end of the year, students be able to add and subtract up to 10.

GEOMETRY

We will learn to identify different shapes, work with shapes, and describe the positions of objects.

MEASUREMENT & DATA

We will learn concepts of length and weight. Students will learn to classify and represent data in different ways.

What will we learn in ELA this year?

INQUIRY & INVESTIGATION

Students work together to develop questions and gather information. They begin to generate possible explanations and develop alternatives. These abilities serve as the basis for critical thinking and problem-solving skills.

LEARNING TO READ

Students focus on the written word. They work to recognize the relationship between letters, sounds, and words, and how they give meaning.

WRITING

Students work to share their ideas on paper using drawings, words, and dictation to describe an event or tell a story. As the year goes by, students begin to use basic punctuation and English grammar.

READING FOR ENJOYMENT

Students learn to identify and understand the parts of a book and a story, and how those parts influence the meaning.

COMMUNICATION

Students work on listening to others, explaining their ideas, and responding to the ideas of others. They begin to study different ways to improve their communication skills.

READING FOR INFORMATION

Students ask the basic questions: who, what, when, where, why, and how. Now they begin to learn how to Gain and apply information and ask further questions.

Developmental Reading Assessments (DRA)

DRA's are given throughout the academic year. It is required that students complete the assessment. It helps us get a better understanding of what your child needs to learn and lets us know what your child's reading level is.

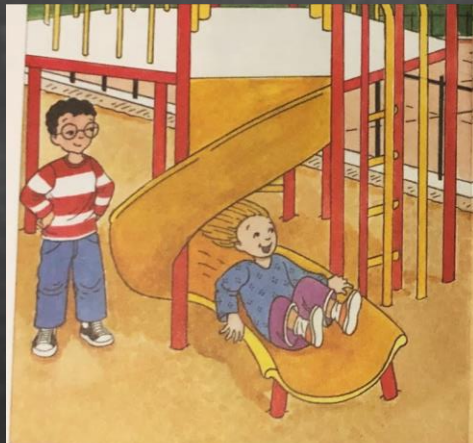

Let's check
out a Level 3
book.

This is considered
on-grade level by
the end of the
year.

"Look at me," said the boy.
"I can run."

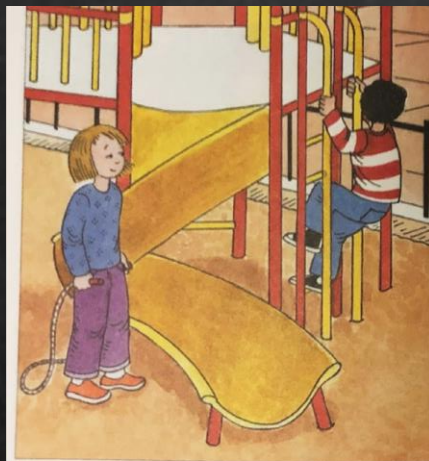

"Look at me," said the girl.
"I can slide."

"Look at me," said the boy.
"I can swing."

"Look at me," said the girl.
"I can skate."

"Look at me," said the boy.
"I can climb."

"Look at us.
We can jump rope,"
said the boy and the girl.

You will receive
an email today
to sign up for a
DRA session
for the
beginning of
the year.

Learning Coach Support

Please note - you are responsible for your student's learning 4-6 hours each day. 😊

Before class

Help your student wake wake up & eat before class.

During class

Stay close to your student in case you are needed.

After class

Set up regular breaks for eating and movement.

Help your student have materials ready before class begins.

The camera & mic are expected to be on during class. Please help monitor!

(Noise, Distracting, Siblings, appropriate clothing, etc)

Help your child finish & turn in work. Please do not do the work yourself!

You'll need to help log in & use the tools for the first few classes.

Make sure your computer is charged each night.

Check your daily OLS plan to see when your student is scheduled for live class.

Learning Coach Support

It is **SUPER IMPORTANT** that you thoroughly read all emails from Mrs. Rohrbaugh and Mrs. Farrior.

We know that as a virtual school, there is a lot of email communication that is sent.

We send a lot of updates and clarification through these messages so please check your in-box before emailing questions. 😊

Please email Mrs. Rohrbaugh for ELA questions.

Please email Mrs. Farrior for Math questions.

Learning Coach Guide

Establish Routines	Create a learning space	Stay in touch
<ul style="list-style-type: none"> Establish a normal schedule that includes the school day. Create regular routines for bedtime, waking up, doing school activities, eating and playing. Establish expectations for digital devices. Remember to plug in your computer to charge every night. 	<ul style="list-style-type: none"> Dedicate a space for school away from little ones and animals. Please make sure the TV is off during class time. Materials for class should be available nearby. Post or print a schedule for the week that is easily visible. You can do this from your OLS home page! 	<ul style="list-style-type: none"> Teachers will set up lines of communication through email and our SeeSaw classroom. Please make sure to check your email frequently!  <ul style="list-style-type: none"> Feel free to contact us if you have a question or concern. The best way to reach us is through email. <p>casckolsh@cvhsacademyva.org</p> <p>blanis@cvhsacademyva.org</p>
<ul style="list-style-type: none"> Remember the camera and microphone will be on during our classes. Please monitor your home for excessive noise (TV in background, noisy siblings, etc) Please also keep an eye out for inappropriate clothing. Naked babies, shirtless kids, etc are quite distracting to the class! 	<ul style="list-style-type: none"> Please stay close to your student while they are in live classes and help as needed. Make sure to encourage and support your student! Help with technical issues. Learning Coaches should help student access the sites and apps that we use in class. We will teach you - don't worry! Please let your student do their work. We expect some struggles. Remember that independence tak practice! 	<ul style="list-style-type: none"> Check in with your student BEFORE class starts. You might ask... <ol style="list-style-type: none"> Do you have what you need? Are your mic and camera on and working? Is your workspace quiet and free from distractions? Are you able to log in to class?  Check in AFTER class. You might ask... <ol style="list-style-type: none"> Do you have any work to finish? Did you participate? What can you do better next time?
